SUPPLIER NEWS

**Relco LLC** has acquired **Savel Technologies Inc.** from Pete Hoefler, owner of HAF Equipment Inc. The Savel equipment line, which includes sanitary powder handling and conveying equipment, will be incorporated with other Relco products and sold in the United States,

Europe, globally through the Relco and HAF sales network and through Relco wet and dry in the Netherlands.

**Reiser** has opened its new state-of-the-industry customer center at its Canton, Mass., headquarters. The 6,500-square-foot expansion to the company's

Reiser

existing building features a customizable processing room with space to run individual machines or fully automated lines. The center also has a full test kitchen for preparing, baking and sampling finished product, and allows product to be processed under the same conditions found in most top-of-the-line bakeries in the industry. It also includes modern conference rooms for meetings and training, as well as workstations for visitors.

**Americold Realty Trust** has filed a registration statement on Form S-11 with the U.S. Securities and Exchange Commission relating to a proposed initial public offering of its common shares. The number of shares to be offered and the price range for the offering have not yet been determined. The joint book-running managers of the offering will be Goldman, Sachs & Co. and J.P. Morgan Securities Inc., with Deutsche Bank Securities Inc., RBC Capital Markets Corp. and Wells Fargo Securities LLC acting as co-managers. A registration statement relating to these securities has been filed with the SEC but has not yet become effective. Copies of the registration statement can be accessed at [www.sec.gov](http://www.sec.gov).

**Deacom Inc.** has been named one of the Top 100 technology providers to the food and beverage industry by *Food Logistics* magazine for the second consecutive year.

The 2009 Food Logistics 100 recognizes leading technology solution and service providers that enable food, beverage and consumer packaged goods companies to reach their business goals. The Deacom ERP System integrates all areas of a food and beverage
